Message to parents and carers from Professor Nicola Spurrier, Chief Public Health Officer

It is safe to send your child or children back to school, kindy and day care.

Don't send them if:

- They are sick.
- They have a health problem and you want to talk to your doctor first.

I am confident it is safe for them to return because:

- We have a low rate of community spread in SA.
- Borders are still closed.
- Lots of the community has been tested.
- Good social distancing and hygiene.

To keep schools safe we are:

- Increasing cleaning.
- Making sure there is soap, sanitiser and tissues available.
- Not having large gatherings.
- Teaching kids to not spread germs.
