Fee concessions apply for the current year, are assessed on a case-bycase basis and must be applied each year. Families who are provided a fee remission are required to utilise the direct debit facility.

### **Notice of Student Withdrawal**

Parents/caregivers are required to submit a written notice to the Head of Campus a full term in advance advising that a student will be leaving the College, or not returning for the following year. If such notice is not given, one term's fees (10 weeks) will be payable in lieu of notice, dependent upon the circumstances. Notice of student withdrawal applies to new students commencing at the College once enrolment acceptance has been received. 'Payment in lieu' is in recognition that the College is committed to maintain the employment of teachers on the basis of new enrolments from one term to the next.

Arrangements for withdrawal from Xavier College are detailed in the College Fee Policy.

### **Overdue Accounts and Late Payment Fee**

The College encourages parents experiencing difficulties in paying fees to contact the College Finance Team at the earliest opportunity.

The College reserves the right to forward overdue accounts to debt collection agencies. If this occurs, families are responsible for the payment of the collection costs as per the parents/caregivers declaration in the Enrolment Contract. Any default debt may also be reported to a credit reporting agency.

An administration fee of \$50 per account to a maximum of \$200 per annum may be applied if:

Families will need to meet and discuss their school fees with the College. A payment plan arrangement to satisfy the full debt would need to be in operation for the student to be considered eligible for any extra-curricular activities.
