Xavier College is a Catholic school in the Salesian tradition. At school, I will learn stories about Jesus.

At school, I will make lots of new friends.

School is going to be fun!

I will visit the Breakout Space for Library lessons.

At lunch playtime, I can go here to do fun activities with my friends.

I can borrow books from the library, and return them by sliding them down the returns chute.

I'll need my communication folder to carry my books!

While visiting the Breakout Space, I might meet...

Hello! My name is Mrs Haythorpe.

I am the Student Hub Technician. You will get to visit me during your Library lessons. I love to read picture books and look forward to seeing your faces light up as you enjoy the amazing stories we will read together. In my spare time, I love to read, cook and spend time with my beautiful family, especially my 3 very spoilt cats! You are welcome to spend lunchtime in the Breakout Space where we do lots of fun and exciting activities. I hope the Breakout Space is a comfortable place to visit that brings you happiness. See you soon!

There will be lots of builders and trucks at my school.

I am going to be part of a happy and safe community.

We can’t wait to see you at school!
